

Bookme Terms of Services

By using Bookme either online or through mobile apps, you agree to the following:

The Bookme services are owned and operated by Bookme Tickets Pvt. Ltd. These Terms of Service are a binding legal agreement between all our customers and Bookme.pk regarding your use of the services that have been made available.

Unauthorized access, distribution, reproduction, copying, retransmission, publication, sale, exploitation (commercial or otherwise), or any other form of transfer of any portion of the Site or other Service, including but not limited to all content, services, digital products, tools or products, is hereby expressly prohibited.

Bookme is a service that sends e-tickets in your sms/email if a bus or cinema company has enabled online access. Bookme is not responsible for any loss, refunds or any other damages in case of cancellation or any other circumstance.

For cinemas/bus companies that do not provide real time inventory access, for them seat plan is to get your preference only. It is clearly mentioned in the seat plan of offline cinemas.

Bookme is not a Bus operator:

Bookme is a ticketing platform that is only responsible for issuing a ticket. Bookme is not responsible for any delay, cancellation of bus or off boarding a passenger from any bus by any bus company. Moreover, during public holidays, it is highly likely that bus companies cancel departures or cancel operations for entire day. In that case, customer is entitled to either get their seat adjusted in their next order or a complete refund. For that, customer has to raise a complaint and request for refund or adjustment. Bookme will verify from the bus company and process customer query accordingly.

Privacy Policy:

Your use of the Site or applications and any information provided by you or gathered by Bookme or third parties during any visit to or use of the Site or applications is governed by the Bookme Privacy Policy which is incorporated by this reference. You agree to Bookme's collection, use and sharing of your information as set forth in the Bookme Privacy Policy. It is the responsibility of Bookme to make sure that information of each customer is kept private and safe.
